Activity Details:

health Centre, emphasizing the institution's commitment to promoting health education and safety awareness.

Event Highlights: On 9th September 2024, SGK Govt Degree College, Vinukonda, hosted an "Awareness Programme on First Aid and CPR" aimed at equipping students and staff with essential life-saving skills. The event was a collaborative effort between the Department of Zoology and the College H

- **Chief Guest Address:**
The program featured **Dr. Sk Abdul Razak**, MBBS, from the Community Health Centre, Vinukonda, as the chief guest. Dr. Razak delivered an insightful and practical session on the importance of first aid and cardiopulmonary resuscitation (CPR). His presentation included:
 - **Basic First Aid:** Demonstrating essential techniques to manage common injuries, including cuts, burns, fractures, and sprains.
 - **CPR Techniques:** A step-by-step guide on performing CPR, emphasizing the ABCs of resuscitation (Airway, Breathing, and Circulation) and proper chest compression methods.
 - **Emergency Response:** Providing tips on how to respond effectively in emergency situations, such as accidents, cardiac arrests, and choking incidents.
- **Principal's Opening Remarks:**
The session was presided over by the college principal, Dr. K. Srinivasa Rao, who highlighted the significance of first aid knowledge in everyday life. He stressed the importance of such training for both students and staff, as it equips them with the necessary skills to act as first responders in emergencies. Dr. Rao also expressed his gratitude to the guest speaker for his contribution to enhancing the college's health and safety awareness.
- **Interactive Demonstrations and Practical Session:**
The program included live demonstrations led by Dr. Abdul Razak, where participants had the opportunity to practice CPR techniques on mannequins. The interactive session allowed attendees to engage actively, ask questions, and clarify doubts, ensuring they gained confidence in applying these life-saving techniques.

Impact and Outcomes:

The awareness program was a success, with enthusiastic participation from both students and staff. The practical, hands-on approach provided a valuable learning experience, helping attendees build confidence in managing medical emergencies. The program not only equipped participants with critical skills but also encouraged a culture of safety and preparedness within the college community.

Organizational Support:

The Department of Zoology and the College Health Centre played key roles in organizing the event, ensuring all logistical arrangements were in place. Their collaborative effort demonstrated the college's proactive approach to health education and welfare.

Conclusion: The "Awareness Programme on First Aid and CPR" was a valuable initiative that highlighted the importance of emergency preparedness. By imparting essential life-saving skills, the college successfully contributed to the safety and well-being of its members. The college intends to continue organizing similar programs to further its mission of holistic education and community welfare.

Demonstration on First Aid & CPR

Welcome Note by Sri B.R.K.Kishore, Lecturer in Zoology
