

SGK GOVERNMENT DEGREE COLLEGE, VINUKONDA

Department Of Physics

NOTICE

Date: 26.01.2018

We are excited to announce that our college will be celebrating National Science Day on 28-01-2018. This day is observed every year on 28th February to commemorate the discovery of the Raman Effect by Sir C.V. Raman, which earned him the Nobel Prize in Physics in 1930.

As part of our celebrations, we are organizing a Drawing Competition to encourage artistic expression and promote the importance of science in our lives. This competition aims to provide a platform for students to showcase their creativity and understanding of scientific concepts through art.
