Activity Report: Awareness on Blood Donation Date of Activity: 25th January 2023

Introduction:

The "Awareness on Blood Donation" activity was organized by SGK Govt Degree College in collaboration with the Department of Zoology, Red Ribbon Club, and College Health Centre. The primary aim of this event was to raise awareness about the importance of blood donation and its role in saving lives. The Red Cross Society of Palnadu District actively supported and participated in this initiative.

Event Highlights:

The event commenced with a warm welcome to Dr. K. Srinivasa Rao, the Principal of SGK Govt Degree College, who served as the Chief Guest for the occasion.

Dr. Rao delivered an insightful keynote address, emphasizing the significance of voluntary blood donation and its positive impact on society.

Various informative presentations were conducted by experts from the Red Cross Society and the medical field, shedding light on the blood donation process, safety measures, and the dire need for blood donors.

A question-and-answer session allowed participants to clarify their doubts and gain a better understanding of blood donation.

To encourage active participation, a blood donation camp was set up on the college premises, where both students and faculty members had the opportunity to donate blood voluntarily.

Conclusion:

The "Awareness on Blood Donation" activity at SGK Govt Degree College, Vinukonda, was a resounding success. It not only educated the college community about the importance of blood

donation but also provided a platform for voluntary blood donation, contributing to the noble cause of saving lives.

This initiative was made possible through the collaborative efforts of the Department of Zoology, Red Ribbon Club, College Health Centre, and the unwavering support of the Red Cross Society of Palnadu District. The college expresses its gratitude to Dr. K. Srinivasa Rao for gracing the event as the Chief Guest and inspiring the participants.
