Report on

Career Counseling Session for Intermediate Passed out Students

Date:21-06-2020

Time:10:00AM

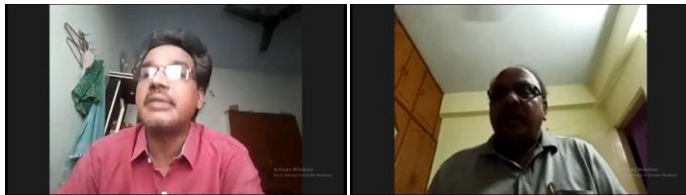

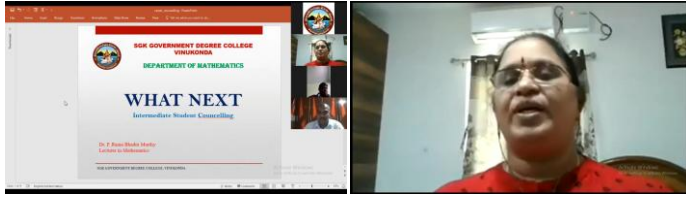

A student who successfully completed his/her intermediate is at the cross-section of his/her career. He/She have a wide range of educational and job opportunities to choose from. It is common that many face dilemma in choosing the right option for them. Also many do not get enough guidance to direct them in choosing their future. In this context, our college has conducted an online counseling session for intermediate passed out students on 21-06-2020..

The session was attended by more than 50 students through live conferencing and facebook live streaming. The session started with the opening remarks of Dr.Ch.Tulasi Mastanamma, Principal of SGKGDC, Vinukonda and chairman of this session. She gave a brief overview of precautions to be taken by students in choosing their college at undergraduate level. She emphasized the importance of good faculty and good environment in nurturing the talent pool of students. The faculty of our college from all the departments made sure that they give all the information a student needed to take his/her future course of action. They are made aware of various courses available for them at the undergraduate level. Each faculty explained in detail about various carrier opportunities that a student has if he/she enroll in their respective departments. Finally every student is given an opportunity to raise his/her doubts and is made sure that it is cleared.

The recorded counseling session can be watched at

<https://www.youtube.com/watch?v=Ch3j4fczDoM>

Here are some of the screen shots of the session.

ArthaNiti-National webinar on Declining GDP-Causes and Measures

Covid Pandemic have unleashed a series of attacks on lives and economy of the world. More than the death toll, the plight of the unemployed has become beyond manageable. With decreasing GDP, it has become paramount for the government to take measures to improve the numbers while attending to the basic needs of its nation. In this context, we have conducted a National level webinar “ArthaNiti” on 04-10-2020 to formally classify the causes of declining GDP and propose measures to improve it. Two eminent public speakers, Prof.K.Nageswar, eminent public speaker and analyst and Prof.G.Chandrasekhar Rao(Retd.), Department of Economics, Tirupati have graced this webinar and enumerated all the reasons and measures for declining GDP in india.

PARYAVARNA-National Webinar on the impact of lockdown on Eco-System

Date: 02-06-2020

Time: 10:00AM

The word ‘Lockdown’, though not a new term, is strange for most of the population in the world. Covid-19 has forced us to shut ourselves in our home. Apart from other issues, it is interesting to study the impact of lockdown on our environment. Its been reported that pollution has reduced and many water bodies regained their life in this lockdown. Inorder to have a deeper insight into this topic, our college has organized a webinar “Paryavarna” to assess the impact of lockdown on our Eco-System.

The webinar was chaired by Dr.Ch.Tulasi Mastanamma, Principal of our college. Sri. D.Rajasekhar, Lecturer in Botany corresponded the event. Sri.D.Siva Phanindra, Lecturer in Computer Science acted as organizing secretary. **Dr.Pandu Brahmaji Rao**- HOD, Department of Environmental Sciences, ANU, **Dr.Srivalli Tammana**-Academic Counselor, Center for Distance Education, ANU, **Dr. Jacob Solomon Raju Aluri**-Professor, Department of Environmental Science, Andhra University delved into the nuances of the topic. Dr.Brahmaji gave a detailed explanation of chemistry of Good Environment. Dr.Srivalli discussed various Environmental Ethics. Dr. Jacob Solomon Raju tried to assess if the lockdown has shown a solution to some of the environmental problems.

A Q & A session was held for the participants to directly ask their doubts. More than 80 participants have actively participated in this session either by posing the question in person or in writing. Finally the webinar concluded at 1:30 PM with the closing remarks of the chairman.

The recorded Webinar can be viewed in the following address.

<https://www.youtube.com/watch?v=ePiJdu5jwQ&t=3550s>

In the entire Human History, we hardly find a pandemic that annoyed the human race like Covid-19 does. Many may surpass Covid-19 in the number of cases and death toll, but we have never found a pandemic of this nature forcing the entire globe into Lockdown. This makes the study of its implications both interesting and necessary. Apart from other crisis, on a positive note, it is interesting to find many water bodies replenishing their pure nature, flora and fauna thriving in pollution-free environment. In this context, we are organizing a webinar to analyze the impact of Lockdown on our Eco-System and find ways to harness development so that it does not pollute our mother earth. This webinar is scheduled on 02-06-2020 from 10:00 AM to 01:00 PM. We invite you to participate and share your views and hope that we all together shall gain some insights on this subject.

SESSION ON TEACHER'S DAY

DATE:05.09.2020

TIME: 02.00PM – 03.00 PM

**CONDUCTED BY
DEPARTMENT OF COMPUTER SCIENCE**

Activity Report

S. No.	Content	Name
1	Name of the Programme	Session on Teachers Day
2	Date & Time	05-09-2020 , 2:00PM to 3:00 PM
3	Conducted by	Department of Computer Science
4	No. of Students attended	16
5	Convenor	Sri.D.Siva Phanindra, Lecturer in Computer Science

On 5th September 2020, in celebration of Teachers' Day, D.Siva Phanindra, Lecturer in Computer Science at delivered an inspiring lecture on "Resilient Teaching - Stories of Inspiring Teachers in India." The objective was to honor and recognize the exceptional efforts of teachers who have persevered and taught students under extraordinary circumstances in India.

Lecture Agenda:

The lecture was thoughtfully designed to narrate stories of remarkable teachers who faced and overcame odd circumstances in India to continue imparting education. The agenda was as follows:

Introduction to Teachers' Day:

Providing an overview of Teachers' Day and its significance in recognizing educators.

Defining Odd Circumstances:

Explaining what constitutes "odd circumstances" and their various forms.

Inspiring Teacher Stories:

Narrating real-life stories of teachers who taught in challenging environments such as remote areas, conflict zones, during pandemics, etc.

Lessons and Inspiration:

Extracting valuable lessons and inspiration from these stories for both educators and students.

Lecture Highlights:

The lecture was designed to engage the audience and provide them with a sense of admiration and gratitude for resilient teachers. The following highlights showcase the key elements and success of the lecture:

Compelling Narration:

D.Siva Phanindra narrated the stories of these inspiring teachers with eloquence and emotion, bringing the tales to life.

Emotional Connection:

The stories were carefully chosen to evoke an emotional connection with the audience, highlighting the teachers' dedication and commitment.

Reflective Insights:

The lecture encouraged the audience to reflect on their own teaching practices and value the opportunities they have to make a difference in students' lives.

Salute to Resilient Teachers:

The lecture paid tribute to the resilience and unwavering spirit of teachers who have overcome adversity to educate and uplift their students.

Key Takeaways:

The lecture provided the audience with invaluable knowledge and emotional resonance. Some of the key takeaways included:

Recognition of Extraordinary Efforts:

Attendees gained a deeper appreciation for teachers who persevere and teach in challenging circumstances.

Inspiration for Resilience:

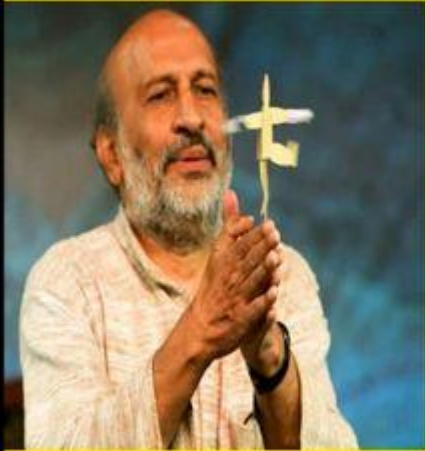

The inspiring stories served as a catalyst for cultivating resilience and determination in both educators and students.

Acknowledgment of Teachers' Impact:

Understanding the profound impact teachers have on shaping lives, especially in adverse conditions.

WORKSHOP ON E-CONTENT GENERATION

DATE: 19.08.2020 & 20-08-2020

TIME: 03.00PM – 05.00 PM

**CONDUCTED BY
DEPARTMENT OF COMPUTER SCIENCE**

Activity Report

S. No.	Content	Name
1	Name of the Programme	Workshop on E-Content Generation
2	Date & Time	19.08.2020 & 20.08.2020 , 03.00PM – 02.00 PM
3	Conducted by	Department of Computer Science
4	No. of Students attended	45
5	Convenor	Sri.D.Siva Phanindra, Lecturer in Computer Science

On 19-08-2020 and 20-08-2020, D.Siva Phanindra, Lecturer in Computer Science conducted an enriching training session for the staff of Government Degree College Chebrolu and Government Degree College Kovvur. The objective of the training was to familiarize the participants with various tools available for the development of E-Content, facilitating effective teaching and learning experiences.

Training Agenda:

The training session was thoughtfully designed to cover a range of topics related to E-Content development tools. The agenda was as follows:

Introduction to E-Content:

->Defining E-Content and discussing its significance in modern education.

Overview of E-Content Development Tools:

->Introducing a variety of tools available for creating engaging and interactive E-Content.

Practical Demonstration of Tools:

->Providing hands-on experience and practical demonstrations of selected E-Content development tools.

Guidelines for Effective E-Content Creation:

->Sharing best practices and guidelines to ensure the creation of impactful E-Content.

Training Highlights:

The training session was designed to ensure active participation and engagement from the staff. The following highlights showcase the key elements and success of the training session:

Comprehensive Tool Overview:

D.Siva Phanindra provided a comprehensive overview of various E-Content development tools, showcasing their features and potential applications.

Practical Demonstrations:

The session incorporated practical demonstrations of selected tools, allowing participants to gain a hands-on understanding of their functionalities.

Interactive Q&A:

The participants actively engaged in the training through interactive discussions and question-and-answer

sessions, facilitating a deeper understanding of the concepts presented.

Sharing Expertise:

D.Siva Phanindra shared expertise and insights into effective E-Content creation, drawing from experience and best practices in the field.

Key Takeaways:

The training session provided the staff with invaluable knowledge and practical skills. Some of the key takeaways included:

Familiarity with E-Content Tools:

Participants gained an understanding of the diverse tools available for E-Content development and their respective applications.

Hands-on Experience:

Attendees had the opportunity to gain hands-on experience with selected E-Content development tools, enhancing their proficiency.

Guidelines for Quality E-Content:

Understanding the guidelines and best practices for creating high-quality, engaging E-Content that effectively supports the learning process.
