**Brief Description:** In order to bring the awareness on the National Budget to the students, an awareness program was conducted on the dates mentioned in the above table. Under the stewardship of our principal Dr. K. Srinivasa Rao, brought the awareness among the students on live budget session of 2023. This was done in coordination with the Commerce of the college. Explained to the student the important of budget through power point presentation.

Our principal addressed the students made a parallel – how a monthly budget is allocated to a family. The same is the case yearly planning and allocations to different sectors of our country.

Sri. Jagadish, HOD of the commerce department of the college explained to the students the importance of budget through power point presentation

Sri. Koteswara Rao, Lecturer in commerce put forth the importance of the budget in competitive examinations. If we observe the budget allocations to different areas of the governance.

Sri. G. Anjaiah, explained the importance of budget and its allocations to different sectors to all the students. Our students & staff of the college participate the program.
