## Objectives of the Practice:

- Encourage active Participation of students in teaching learning process
- Develop Problem-Solving Skills among the students
- Enable Personalized and self learning techniques
- Make Learning an Enjoyable Experience
- Inspire students Team work in teaching learning.

## Context:

Student-centered teaching learning is an approach of education that puts the student at the center of the learning process. It has numerous benefits, including maximum engagement, deep critical thinking and problem-solving skills and personalized learning techniques. The SGK Govt Degree College, Vinukonda has evolved a well defined practice of student centric teaching learning activity. The college faculty design their curriculum plans so as to obtain active participation of students in daily class room schedule. Syllabus and topic wise curriculum plans are supplied to students well in advance for drawing the attention towards preparation of topics. Students are urged for active participation in the class room activities. Class room assignments, home assignments, student's seminars, student friendly quizzes and other activities are designed accordingly for implementation. College academic council and IQAC guide the implementation of the above activities.

## Practice:

Student Centric teaching learning activity is being achieved through various programmes inside and outside the college.

1. Participative learning and experimental learning are imparted and followed.
2. Role Play, Debates, Student managed Quiz programmes are being incorporated in teaching learning process.
3. Assignments, classroom and Home, are given to the students periodically.
4. Class Room Seminars are organized for every student.
5. Field Trips and Study Tours are arranged for experiential learning
6. Projects works are assigned to the meritorious students to achieve peer learning.
7. Community Service Projects are assigned to all first year completed students
8. Practical classes and Lab work are mandated to all the science and computer application students

## Evidence of Success:-

The following are the testimonials for the above best practice:

**SGK GOVERNMENT DEGREE COLLEGE, VINUKONDA**  
**PALNADU DISTRICT 522 647**

**An ISO 9001: 2015 Certified Institution, Affiliated to Acharya Nagarjuna University**

---

1. Students are active in presenting class room seminar of the allotted topics
2. Students are able to prepare power point presentation of the topics allotted by the faculty for their student's seminars.
3. Students are very interested in participating in study tours. as evidenced through their feedback
4. Students are enthusiastic in their Project works
5. Every department has number of student friendly quizzes, debates.

**Problems Encountered and Resources Required:**

1. Students of below average level are not comfortable with student centric methods of teaching and learning activity
2. Students are disinterested with Project works and Community service projects
3. As the students are habituated to conventional teaching methods, they are not feeble to adapt to new techniques of student centric learning.
4. Outside college activities like field trips are very expensive to the poor. Hence they are uninterested towards such activities.
