

SGK GOVERNMENT DEGREE COLLEGE, VINUKONDA PALNADU DISTRICT 522 647

An ISO 9001: 2015 Certified Institution, Affiliated to Acharya Nagarjuna University

Best Practice 2:

- Title of the Practice :- Student Capacity Building Initiatives

Objectives of the Practice:

- To enhance employability and life skills to the students
- To impart Career Counseling to students, through career guidance cell
- To train the students towards higher educational levels.
- To enable students get job opportunities through training & Placement cell.

Context:

Vertical mobility of the student is the ultimate task of the higher educational institutions. To enhance the capability of the student community, the initiatives towards capacity enhancement is the primary task of every educational institute. SGK Govt Degree College, Vinukonda strives to work hard for this noble task to inculcate awareness about the capacity building initiatives among the students through various activities and strategies. Thus the college is committed to make the students work ready graduates after their completion of the graduation. This task is accomplished in two ways i.e. to tutor the students for joining Post Graduation courses and to guide the students to get employment in the job market. Therefore, the college is working towards this task through myriad strategies like self designed programmes like career counseling and career coaching programmes, training through Jawahar Knowledge Centre, Soft Skills training through English Language Lab and organizing Placement Drives through JKC Platform.

Practice:

Capability Enhancement programmes are being arranged for the betterment and vertical growth of the students. The details of programmes as herewith:

1. Training through JKC (Jawahar Knowledge Centre @ Three Batches of Final Year Students will be trained every year)
2. Career Counseling Classes will be conducted through Career Guidance Cell
3. Coaching Classes for competitive examinations like I.B.P.S, S.S.C. and A.P.P.S.C examinations by the respective Departments
4. Special Classes for P.G. Entrance Examinations
5. Placement Drives & Job melas through JKC

Evidence of Success:-

The following are the testimonials of successful capacity building initiatives of the college since last five years:

1. Around 290 students were trained through Jawahar Knowledge Centre.

SGK GOVERNMENT DEGREE COLLEGE, VINUKONDA
PALNADU DISTRICT 522 647

An ISO 9001: 2015 Certified Institution, Affiliated to Acharya Nagarjuna University

2. Over 74 students of our college have got placements in various companies through On/off campus drives.
3. 10 students have got admitted to various PG programmes during the last five years.

Problems Encountered and Resources Required:

1. Majority of students are from rural background and thereby hesitate to go for higher studies
2. Poor English background is another major hurdle to face the competitive examinations.
3. Economical weakness compels them to grab the nearest opportunities rather than waiting for good jobs.
4. Students hailing from surrounding villages face difficulty to reach their homes after training sessions due to lack of transportation during late hours.
