Red Ribbon Club, Dept of Zoology and NSS unit organised an awareness programme on Blood Donation. A total of 250 students along with staff participated. Principal Dr K. Srinivasa Rao while addressing students said that service to humanity is service to God. He emphasized the importance of blood donation, the precautions one should take while donating blood and conditions under which one should not donate blood.

Dr L. Narasimha Rao explained clearly how voluntarily donating blood helps the society and also inspired many of our students. He motivated a large no of students by imparting knowledge about medical benefits of blood donation and debunked the common myths associated with it.

Member of Red Cross Society Md. Rasool said that the basic spirit of blood donation is benefiting the society and emphasized the importance of blood donation as it helps in keeping good health and preventing cancer.

NSS program officer Sri D. Shiva Phanindra said that such awareness programs are good initiatives to pay back what the society gives us.
