

SGK GOVERNMENT DEGREE COLLEGE
VINUKONDA, GUNTUR DISTRICT

GUEST LECTURE

BY

Sri.B. NARENDRANADH

LECTURER IN CHEMISTRY
(RTD)

DATE: 29.03.2022

TIME: 04.00 PM

CONDUCTED BY

DEPARTMENT OF CHEMISTRY

Activity Report

S. No.	Content	Details
1	Name of the Programme	Guest Lecture on “Significance of Chemistry in Society”
2	Date & Time	29.03.2022 & 04.00 PM
3	Conducted by	Department of Chemistry
4	No. of Students attended	53
5	Chairperson	Dr. K.Srinivasa Rao, Principal
6	Chief Guest	Dr. K.Srinivasa Rao, Principal
7	Program Convener	Dr. K.V.S. Koteswara Rao
8	Other Lecturers	Sri. V. Bala Yesu, Lecturer in Chemistry Sri. Rama K Kishore Behara, Lecturer in Zoology, Academic Coordinator

BRIEF REPORT: On 29.03.2022, the Department of Chemistry at our degree college organized a chemistry guest lecture, which began with an inaugural session under the chairmanship of Dr. K. Srinivasa Rao, Principal. The session was attended by the Sri. Ch. Hari Babu, Vice-Principal, Dr. K. V. S. Koteswara Rao, Head, Department of Chemistry, Mr. Valaparla Bala Yesu, Lecturer in Chemistry, Department of Chemistry and the guest speaker, Sri. B. Narendranath, Lecturer in Chemistry (Rtd) of S. G. K. Government Degree College. The topic of the lecture was “Significance of Chemistry in Society”

OPENING REMARKS: The session began with a welcome address by the Dr. K. V. S. Koteswara Rao, Head, Department of Chemistry, who introduced Sri. B. Narendranath, Lecturer in Chemistry (Rtd) and highlighted his contributions to the field of chemistry.

GIST OF THE PROGRAMME: Next, the college Vice-Principal Sri. Ch. Hari Babu delivered a speech, emphasizing the importance of science education and research in today's world and the role of chemistry in advancing our understanding of the natural world. He expressed his gratitude to Sri. B. Narendranath for accepting the invitation to speak at our college and for sharing his insights and experiences with our students and faculty members.

Sri. B. Narendranath, then took the stage and delivered the keynote address, where he discussed the significance of chemistry in society and the importance of interdisciplinary research in advancing the field. He shared his own experiences as a chemist and provided insights into the challenges and opportunities that come with pursuing a career in science.

The lecture was attended by over 53 students and faculty members from the chemistry department. Sri. B. Narendranath, began the lecture by discussing the fundamental principles

of chemistry and the role of chemistry in our daily lives. He emphasized the importance of chemistry in fields such as medicine, materials science, and environmental science.

The lecture also included a question-and-answer session, where students and faculty members had the opportunity to ask Sri. B. Narendranath, questions about his research and career in chemistry. The session was highly interactive, with a lively exchange of ideas and perspectives.

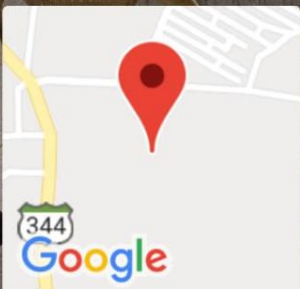

Overall, the chemistry guest lecture was a great success, providing an excellent opportunity for students and faculty members to learn from a distinguished chemist and to deepen their understanding of chemistry and its applications. The lecture also served as an inspiration for our students to pursue their interest in chemistry and to aspire towards a career in science. We look forward to hosting similar events in the future to promote science education and research at our college.

VOTE OF THANKS:The inaugural session concluded with a vote of thanks by Mr. Valaparla Bala Yesu, Lecturer in Chemistry, Department of Chemistry, who expressed gratitude to Sri. B. Narendranath, for his inspiring speech and to the college management team and chemistry department for organizing the event. He also thanked the students and faculty members for their participation and expressed hope that the lecture series would continue to inspire and educate our community.
