Students from our college enthusiastically participated in the event and expressed their solidarity with the Indian Army.

As part of this event, the college NSS unit organized a rally, which began at 9:00 AM from the Vinukonda Bus Stand and concluded at Loyola High School. Our college students and faculty enthusiastically participated in the rally.

Later, during the felicitation ceremony, local MLA Sri J.V.S.S. Anjaneyulu garlanded and praised the Indian Army's services to the nation. He emphasized the importance of extending our solidarity and moral support to our soldiers, who are undertaking this cycle expedition.

As part of the Indian Army's long-cycle rally, a team of soldiers, who pedalled nearly 5,500 kilometres from Siachen Glacier in Ladakh to Indira Point in Andaman and Nicobar Islands, made a halt in Vinukonda. Local MLA Sri J.V.S.S. Anjaneyulu felicitated the soldiers, who instilled patriotism in our students during their stay.

Thereafter, each soldier shared their experiences with the students and informed them about the opportunities available to join the army, inspiring the students. The NSS unit students of our college also congratulated the army personnel and bid them farewell as they departed in a rally, with students and dignitaries on both sides giving them a grand send-off.
