On 24th September 2024, NSS Day was grandly celebrated at our college. The principal, Dr. K. Srinivasa Rao, presided over the event. On this occasion, he addressed the gathering and explained that the National Service Scheme (NSS) was launched by the Government of India in 1969 as a youth program. He emphasized that the future of our nation depends on the youth, who should participate in national development and social service, and encouraged the students to pursue their education with a sense of responsibility towards social service.

The chief guest, Sri Bellamkonda Venkata Lakshmana Prasad, Chairman of Vinukonda Red Cross Branch, spoke on the occasion, saying that helping others is a human quality. He emphasized that we should do good to others and that mutual cooperation and service to others is the essence of social service. He stated that doing social service through our college NSS unit is a great opportunity and that the goal of NSS is to make students partners in national service. He congratulated the students for participating in the blood donation program as part of social service.

College Vice-Principal Sri.CH. Haribabu spoke on the occasion, saying that the National Service Scheme (NSS) is an important program that promotes civic responsibility and community development among the youth in India. He stated that through community service programs, NSS encourages students to develop holistic personality, social awareness, and practical skills. He emphasized that NSS promotes the overall development of students, fostering their growth into responsible citizens.

College IQAC Coordinator, Dr. K.V.S. Koteshwara Rao, spoke on the occasion, explaining the benefits of being an NSS volunteer. He stated that students who join as NSS volunteers for a period of two years and attend a special camp are eligible to receive an NSS certificate from the university.
