An awareness program on **World Human Population** has been conducted in **SGK Government Degree College, Vinukonda** by the **Department of Economics** on **11-07-2024**.

Our college **principal Dr. K. Srinivasa Rao garu** presided over the program. He gave a detailed a lecture and created awareness among the students regarding “The Population Theory of Malthus, Census of India, Productivity of population, pros and cons of overpopulation”.

Later our **Vice Principal Ch. Hari Babu garu** lectured on World Population and explained the topic with quoting suitable statistical data as examples. He emphasized **the necessity of responsibility regarding the fixation of population**.

After that College **IQAC Co-Ordinator Dr. KVS Koteswara Rao** lectured on world population and market expansion.

Our college **Academic Coordinator Sri Kishore Behara** compared the **Population theory of Malthus with the Evolution of Darwin** by taking Pakistan as an example.

Our college **Economics Lecturer Sri Anjaiah garu** narrated that **United Nations** had decided to conduct World Population Day on **11th July** on the occasion of world population reaching **5 billion** on **July 11th, 1987** as a part of UNDP. The first world population day had been conducted on **11th July** by **90** countries. Then onwards the entire world started celebrating the world population day on the same date every year. He also explained **the challenges to be faced by us due to over population and permanent solutions to reduce the ever growing population**.

After that our **B.Com 2nd year student SK. Mastan Vali** gave a detailed speech on **different methods to control the birth rate**.

The program has been concluded with the speech of **Sri D. Siva Phanindra, JKC Co-Ordinator** of college. He compared the **fiscal growth rate of a country with the population of a particular country** by quoting suitable statistical data as an example. He said that **over growth population hampers the growth rate**.

With this the program has been successfully concluded.
