

Department of Physics was established in the year 1989 with Physics, Mathematics and Chemistry (MPC) , subsequently Physics, Mathematics, Computer Science (MPCs) combination was introduced in the year 2014 to meet global standards.

The Department has two fully equipped laboratories in Physics. A specially designed dark room laboratory is provided for conducting optics experiments. This Department has one Qualified, Newly Recruited Permanent Lecturer. The Department has 1 non-teaching staff to support the Lecturers for the smooth running of the departmental activities.

STRENGTHS:

- Competent faculty motivated and committed towards student welfare
- Qualified and research oriented
- Well equipped laboratory
- Department has internet facility

WEAKNESSES:

- Rural background of students
- Socio-economic conditions of the students (as they go for seasonal employment)
- Lack of interest and appetite for academics

OPPORTUNITIES:

- Use of student centered teaching methods to create interest in students
- To enhance employability of students
- Promoting student participation in all co-curricular activities

CHALLENGES:

- Unhealthy competition in private colleges located within the town
- Location of the college to where transportation is limited

FUTURE PLANS:

- To initiate advanced on line projects for the students
- To establish a separate e-class room for BSc students
- To establish MOUs with industries

PROGRAMMES OFFERED:

- B.Sc., M.P.C (Mathematics, Physics, Chemistry)
- B.Sc., MPCs (Mathematics, Physics, Computer Science)
