On the historic morning of January 26, 2025, SGK Government Degree College, Vinukonda, Palnadu District, stood as a beacon of patriotism as it celebrated India's **76th Republic Day**. This day holds immense significance as it marks the anniversary of the enforcement of the Indian Constitution in 1950, which established India as a Sovereign, Socialist, Secular, and Democratic Republic. The Department of Physical Education took the lead in organizing a series of events that not only honoured the nation's history but also engaged the youth in the spirit of physical discipline and national unity.

The program began at 8:30 AM with the assembling of 100 students, faculty members, and non-teaching staff in the college quadrangle. The atmosphere was charged with enthusiasm, with students dressed in white and holding small tricolor flags. At exactly 9:00 AM, the Chief Guest, **Principal Dr. K. Srinivasa Rao garu**, performed the **Ceremonial Hoisting of the National Flag**. As the tricolor unfurled against the blue morning sky, the entire gathering stood in solemn attention for the National Anthem. The moment was a powerful display of unity and respect for the symbols of our democracy.

In his address to the gathering, Dr. K. Srinivasa Rao spoke eloquently about the "Soul of the Constitution." He emphasized that Republic Day is a time for introspection for every citizen. He highlighted the vision of the founding fathers and the role of the Constitution in ensuring justice and equality for all. He specifically addressed the students, reminding them that they are the primary stakeholders in India's future. He urged them to balance their academic pursuits with civic responsibility and a commitment to the nation's progress.

Following the Principal's address, other senior members of the faculty shared their thoughts:

- **Ch. Hari Babu (Vice Principal):** Focused on the concept of "Constitutional Discipline," explaining how following the rules of the land is similar to following the rules on a sports field—it ensures progress and fairness.
- **Dr. K.V.S. Koteswara Rao (IQAC Coordinator):** Discussed the importance of academic quality and how the students' intellectual growth contributes to the nation's "Brain Power" on the global stage.
- **BRK Kishore Behara (Academic Coordinator):** Spoke about the relevance of patriotism in the 21st century, framing it as a commitment to social harmony and environmental sustainability.
- **Sri M. Jagadeesh (HOD, Physical Education):** Emphasized that a "Fit India" is a "Strong India." He explained that the physical health of the youth is a vital component of national security and economic productivity.

To celebrate the day with vitality, the Department of Physical Education organized two major sporting events.

**Volleyball (Boys):** The boys participated in a high-energy Inter-Departmental Volleyball Tournament. The game was a display of strategic teamwork, agility, and power. Students from various streams like B.Sc and B.Com competed fiercely, demonstrating that sports are a great leveler that builds camaraderie.
