Brief Description: -

Principal Dr. K Srinivasarao presided over to say that India is the largest democracy with the second largest population in the world and the voter is the central actor of this institution. The success of democracy thrives on the free, fair, ethical and inducement free participation of each citizen. Hence, it is imperative for all to not only understand the significance of this right that ensures many others, but also to have appropriate information and know-hows of the electoral process for easy participation. SVEEP provides the information and motivation needed for active and aware engagement in the electoral process, especially reaching out to those in difficult circumstances of life.

Joint-Collector and Additional District Magistrate Sri Ganore Suraj Dhananjay, IAS. Said that Systematic Voters' Education and Electoral Participation program, better known as SVEEP, is the flagship program of the Election Commission of India for voter education, spreading voter awareness and promoting voter literacy in India. Since 2009, we have been working towards preparing India's electors and equipping them with basic knowledge related to the electoral process.

Mandal Revenue Officer, Vinukonda Sri S Suresh Nayak said SVEEP's primary goal is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. The programme is based on multiple general as well as targeted interventions which are designed according to the socio-economic, cultural, and demographic profile of the state as well as the history of electoral participation in previous rounds of elections and learning thereof.

All faculty members and participated this programme and student developed knowledge.
