

**SGK GOVERNMENT DEGREE COLLEGE
VINUKONDA, PALNADU DISTRICT**

SCIENCE DAY

DATE: 01.12.2022

TIME: 10.00 AM

CONDUCTED BY

DEPARTMENT OF CHEMISTRY

Activity Report

S. No.	Content	Details
1	Name of the Programme	Science Day
2	Date & Time	28.02.2022 & 10.00 AM
3	Conducted by	Department of Chemistry, RRC & NSS
4	No. of Students attended	106
5	Chairperson	Dr. K. Srinivasa Rao, Principal
6	Chief Guest	Dr. K. Srinivasa Rao, Principal
7	Program Convener	Dr. K.V.S. Koteswara Rao
8	Other Lecturers	Sri. V. Bala Yesu, Lecturer in Chemistry Sri. B. Nageswararao Rao, Lec. In Physics and Other Faculty

Science Day

“Equalize”

BRIEF REPORT: Department of Chemistry in association with all Science Departments celebrated an National Science Day on 28.02.2022 in the seminar hall of the college. The programme was presided over by the principal, Dr. Kollu Srinivasa Rao. Vice principal Ch. Hari Babu, Dr. K.V.S. Koteswararao, Head, Department of Chemistry, Mr. V. Bala Yesu, Lecturer in Chemistry, other staff and students were also participated in the programme.

THEME OF THE PROGRAMME: The theme for National Science Day 2022 was '**Integrated Approach in S&T for Sustainable Future**'. If you're wondering where the event will take place, look no further.

HISTORY: In 1986, the National Council for Science and Technology Communication (NCSTC) asked the Government of India to designate 28 February as National Science Day which the then Govt. of India accepted and declared the day as National Science Day in 1986. **The first National Science Day was celebrated on February 28, 1987.**

CHIEF GUEST: Dr. K. Srinivasa Rao, Principal of the College delivered his opening remarks as

I am very excited to get a chance to share a few words about the importance of National Science Day.

As you know, ‘National Science Day’ is celebrated in India on February 28 each year. This day is observed to mark the discovery of the ‘Raman Effect’ by Indian physicists Sir Chandrasekhar Venkata Raman.

Sir C V Raman was an **Indian physicist** whose work was influential in the growth of science in India. He was the first Indian scientist to be honored with the prestigious Nobel Award in Physics in the year 1930.

GIST OF THE PROGRAMME: Vice principal Sri. Cherukuri Hari Babu garu while flagging off the rally has stressed the need for creating awareness among the people especially in youth on prevention of HIV-AIDS. Coordinator of Red ribbon Club Sri B.R.K Kishore said that control should be made part of the curriculum which helps prevention of HIV-AIDS NSS program officer Sri D. Shiva Phanindra said that AIDS is not a problem of society as whole which could be controlled and prevented by united efforts. Later human chain was formed around sthupam center to raise awareness on HIV-AIDS

OUTCOME:

- Students sensitized to the public around the road
- Students promised to educate their parents and neighbors about the importance of pollution control and impacts of pollution.
