Activity Report: Rally on the Eve of World AIDS Day

Summary:

On December 1, 2022, SGK Govt Degree College, Vinukonda, organized a rally in commemoration of World AIDS Day. The rally was jointly organized by the Department of Zoology, the Red Ribbon Club, and the Health Centre. It aimed to raise awareness about HIV/AIDS among students, faculty, and the local community. Here is a summary of the activities that took place during the event:

Rally Details:

Time: 9:30 AM - 10:30 AM

Route: The rally started from the college campus and proceeded to the town junction.

Participants: 120 enthusiastic students actively participated in the rally.

Event Highlights:

Flag-off by Principal: The rally began with the Principal flagging off the event. In his address, he emphasized the importance of spreading awareness about HIV/AIDS and the role of educational institutions in combating the disease.

Participants' Enthusiasm: The 120 students participating in the rally displayed great enthusiasm, carrying banners, placards, and wearing red ribbons to show their support for World AIDS Day.

Community Outreach: As the rally progressed from the college to the town junction, participants engaged with the local community, distributing informational pamphlets and engaging in conversations about HIV/AIDS prevention and awareness.

Awareness Messages: The rally featured slogans and messages aimed at reducing the stigma associated with HIV/AIDS, promoting safe practices, and encouraging regular testing.

Red Ribbon Symbolism: The red ribbon, a symbol of solidarity with those living with HIV/AIDS, was prominently displayed throughout the rally, emphasizing the importance of support and understanding for affected individuals.

The rally was a remarkable event that effectively spread awareness about HIV/AIDS within the college community and reached the broader local community as well. By actively involving students and engaging with the public, the organizers successfully conveyed the importance of HIV/AIDS awareness and the need for collective action in combating the disease. The event demonstrated the college's commitment to social causes and health awareness initiatives
