Activity Report: Observation of World Diabetes Day

The SGK Govt Degree College in Vinukonda organized a special event to observe World Diabetes Day on November 14, 2023. The event aimed to raise awareness about diabetes and promote a healthy lifestyle among students and staff. Here's a summary of the activities that took place during the event:

11:00 AM - 11:15 AM:

The event began with an opening ceremony in the college Seminar Hall. Sri KVS Koteswara Rao, Incharge Principal, inaugurated the event and delivered an inspiring speech about the importance of diabetes awareness. He emphasized the role of educational institutions in promoting health awareness.

11:15 AM - 11:45 AM:

B.R.K Kishore, Lecturer in Zoology, delivered a comprehensive presentation on the causes, symptoms, and prevention of diabetes. His informative session provided valuable insights into the disease and its management.

11:45 AM - 12:15 PM:

Sri D. Siva Phanindra, Lecturer in Computer Science, conducted an interactive session on the use of technology and mobile applications for tracking and managing diabetes. He highlighted the importance of technological advancements in healthcare.

12:15 PM - 12:30 PM:

The event concluded with a Q&A session where attendees had the opportunity to ask questions and seek clarification on diabetes-related topics. Participants actively engaged in discussions, demonstrating their commitment to learning about this important health issue.

Throughout the event, pamphlets and informational materials on diabetes prevention and management were distributed to the attendees. The College Health Centre also offered free blood sugar screenings for those interested, promoting early detection and proactive health management.

The Observation of World Diabetes Day at SGK Govt Degree College, Vinukonda, was a successful and informative event that contributed to raising awareness about diabetes among the college community. The organizers, speakers, and participants all played a crucial role in making this event a meaningful and educational experience.
