# Activity Report

S. No.	Content	Name
1	Name of the Programme	FACULTY FORUM MEETING
2	Date & Time	28.02.2023 & 11.00 – 12.30 PM
3	Conducted by	ACADEMIC CELL
4	No. of Students attended	120
5	Chief Guest	DR K.Srinivasa Rao, Principal
6	Convenor	B.R.K.Kishore, Academic Coordinator

## Agenda:

The Faculty Forum Meeting on Account of National Science day was convened to discuss and deliberate on the development of science in India and the concept of science independence. The meeting aimed to provide a platform for faculty members to share their insights and ideas in this critical area.

## Key Points Discussed:

**Opening Remarks:** The meeting commenced at 11:00 AM with a warm welcome from Dr. K. Srinivasa Rao, the Principal of SGKGDC Vinukonda. He emphasized the importance of science in national development and the role of educational institutions in fostering scientific research and innovation.

**Science Development in India:** Faculty members actively participated in discussions on the current state of science development in India. They highlighted the need for increased funding, research collaboration, and infrastructure improvement to foster scientific advancements.

**Science Independence:** The concept of science independence was explored, with a focus on reducing dependence on foreign technology and fostering indigenous scientific innovation. Ideas were exchanged on how to promote self-reliance in critical areas of science and technology.

**Future Initiatives:** The faculty members proposed various initiatives, including research grants, workshops, and seminars, to promote scientific research within the institution and contribute to national development.

**Closing Remarks:** Dr. K. Srinivasa Rao, in his closing remarks, encouraged faculty members to actively engage in scientific research and innovation. He pledged the college's support for initiatives discussed during the meeting.

## Conclusion:

The Faculty Forum Meeting on Account of National Science Meeting provided a valuable platform for faculty members to discuss and brainstorm ideas related to science development and independence in India. It is expected that the insights and proposals generated during this

meeting will lead to concrete actions that contribute to the advancement of science within SGKGDC Vinukonda and beyond.
